

FSYFL EARLY DISCOUNT PROGRAM

The FSYFL offers an Early Discount Program for teams that are interested in paying some fees earlier than the standard deadlines. Coaches may collect some early registrations from their players (or pay the amount themselves) and in return receive “FREE Player coupons” from the FSYFL.

For every \$250 of early player registration fees received by the FSYFL BY CLOSE OF BUSINESS ON DECEMBER 1st EACH YEAR the team coaches will receive ONE (1) free \$125 player coupon which can then be applied to a single players fees.

Coaches may ONLY purchase a MAXIMUM of \$500 of early payment vouchers (i.e. receive only 2 free coupons) per TEAM. The free player coupons may be used for any player on the team, and will simply be treated as a player payment. Coaches should attach the coupons to the Coaches disbursement form when paying players fees, in the same way as a check or money order would be applied. Early Registration Fee Payments should be sent to the FSYFL offices on the Early Discount Payment Form that is available in the “Coaches What to Do Document” All forms can be obtained on the www.FSYFL.com web site in the Coaches Library section.

PLEASE NOTE: The early registration fees paid by a coach will be applied to their team’s players. When coaches make an Early payment they will also receive “Player Paid” coupons that will equal the value of the amount of their Early payment. When coaches ultimately pay for their teams they will also inform the FSYFL which players the “Player Paid” coupons should be applied to.

Example: If a coach choses to pay \$250 of their fees as an early registration by the required date they will receive 3 coupons in the mail. Two (2) “Player Paid” coupons and One (1) “Free Player” coupon. These coupons should be attached to the disbursement form when paying players fees, in the same way as a check or money order would be applied.

Please note:

1. If an organization is entering multiple teams then they can purchase these Early payment Discounts as an organization. If the teams do not materialize then the Early Discount amounts paid can be applied to other players on other teams, but the “Free Player” coupon/s that were assigned to that specific team will no longer be applicable, and obviously expire.
2. Coaches and or organizations can either collect this money from some players they know are going to play or pay the amount themselves out of pocket and later apply the coupons accordingly.
3. The Early discount amount is NOT an additional deposit but the money will be applied to players that you will have on your team (you do not have to let the FSYFL know when you pay the amount which players those payments are for, you will receive the coupons back and you can use those just like a payment when you pay for the team)
4. The maximum amount of Early discount payments that can be made per team is \$500...i.e. only 2 “Free Player” coupons per team.
