

"This is my 1st year in FSYFL and the experience could not have been better. The league has been nothing but helpful in any problem that arose when I was forming my team together. The game play is fast and action packed. FSYFL has been a dream for not only myself but for the kids as well. If you want to play football in the spring this is the league to join"

***Coach John Folk, Flagler PAL***

"I've enjoyed coaching and watching our players flourish in the FSYFL. There are not a lot of differences between 11 and 8 man football and your league has given our young athletes an opportunity to grow in the off-season which will certainly reap the benefits for each of them this coming fall. The FSYFL is a top notch organization and I am excited for the future of this league as it expands throughout the state, and who knows maybe someday across state lines"

***Bob Priestap, Defensive Coordinator Brandon Wolfpack***

If you're looking for a great way to improve your players skills during the off season, the FSYFL is the way to go! The league not only provides our young athletes with an avenue to work on their football skills during the off season, it also allows them to compete against teams that they normally wouldn't play during the fall regular season. With twelve teams in our age division that range from the East coast to the West Coast of Florida, the diverse competition has been great. Also, the games have all started on time, and the officials have been first class and professional during each game. The league does a great job staying in communication with the coaches and keeping us updated via e-mails and their web-site. Overall, FSYFL has been a great experience!

***Tony Mosco, Head Coach West Tampa Warriors***

FSYFL has been a great growth experience for our kids and a pleasure to coach. Spring ball has given our staff the chance to coach kids who really want to play the game and it has been refreshing and unique. The kids love it and it is offering kids who love the game an additional season. It has been a super experience in all regards. The league has been run flawlessly and the support to our group from the league has been super in all regards.

***Steve DeLuca, Head Coach Deland Bandits***

"I registered my organization on the FSYFL 2 weeks ago, and did my first registration this last weekend at our Year End picnic, and registered 72 kids who wanted to play Spring Football...the response was overwhelming!"

***Coach Keith Williams, Fort Myers Firecats***
