

## **WHY SHOULD YOU CHOOSE THE FLORIDA SPRING YOUTH FOOTBALL TOURNAMENT?**

1. **We are not a travel league but we are a state wide tournament.** We require our teams to travel ONE week out of the season to a next door region. On this week your teams will play a double header game (obviously with a sufficient break between games). We do this deliberately to give your kids a chance to experience some “outside of your region” competition and make the tournament that much more exciting. In the fall program you play the same teams each year...in the Spring you should be able to break out of the mold!
2. **Travel Teams come to your doorstep!** As all teams travel on one of their weeks, this also places travel teams in your own market and therefore gives you one additional game against a “foreign” team, but played in your home market. How exciting is that?
3. **The FSYFL provides great league diversity!** Unlike other leagues that are made up predominantly of their OWN league teams, the FSYFL is a genuine State wide tournament that will test your kids and coaches abilities against a true wide range to youth football teams. The FSYFL has teams from: Gulf Coast, Pasco Pal, FYFCA, AYF, All of POP Warner such as FYD, SE Region, Jacksonville, Treasure Coast, Peace River, Miami Pop Warner, Miami Xtreme, TBYFL, AFYL (Miami) CFYFL (Orlando), SFYFL (Miami), Suncoast YFC (St Pete), Brevard County Youth Football League, Mid Florida, Sarasota Youth Football, Marion County Youth Football, and a variety of Boys and Girls Clubs just to name a few.
4. **We add the extra touch to everything we do!** Our trophy presentations are top class...we provide original Crystal championship and runner up coach trophies, a travel Perpetual State Championship trophy. We provide individual participation trophies for every kid. Multiple Championship trophies for Regional, Conference and State Champions and Runners Up. We offer State Championship Rings.
5. **An FSYFL funded State Championship event** All players and coaches in our 6 divisions of State Championship games from the East and West coasts are brought to Tampa with FSYFL paid hotel rooms along with FSYFL funded State Championship festivities for the weekend.
6. **State Championship Festivities!** Our State Championship has top class entertainment surrounding the event (As an example in 2011 we featured the Tampa Bay Buccaneers Cheerleaders)
7. **A NFL style Pro Bowl Weekend Tournament** We offer an end of season Pro Bowl tournament in Titusville, FL over a weekend, with FSYFL provided Pro Bowl Jerseys and custom socks for each MVP player to keep. The tournament features 4 teams in 6 divisions from the North, South, East and West coasts.
8. **Our own Referee Association** We manage our own referee association, providing a minimum of 3 referees for each regular season game and 4 for the Conference and State Championships.
9. **Our Game Field Facilities are Exciting!** The FSYFL plays on Saturdays at regional and centralized field facilities, providing a great Jamboree like feel at all our fields in each market each week. You get to see many of the other local and foreign teams at fields where you play, when they travel into your home market.
10. **In house background check processes** We operate a strong coach background check program to ensure a safe environment for all our kids.
11. **High Quality Football experience** The competition in the FSYFL is of a high quality, we believe in providing an “NFL like” experience for our players and coaches.
12. **Verifiable Certification Process** Often tournaments are mired in teams violating age stipulations. However the FSYFL ensures a verifiable certifications process utilizing original Birth certificate and ID requirements that ensure teams play on a fair playing field. Our program League age is based on July 31<sup>st</sup> 2011 this is deliberately done to allow coaches to take their existing teams from the fall through to our spring program for an additional season, and improve them even further in preparation for their advance to the next level.
13. **Some unlimited weight categorizations** We allow unlimited weights on the front end of each of our age divisions, and an unlimited weight varsity division.
