***Only \$125 per player***

The FSYFL provides an annual 8 on 8 competitive tackle football Tournament for players ages 8 - 16 during the off season spring months of February through April each year. The tournament operates with teams from a variety of leagues, regardless of the league affiliation, across the state of Florida ending in a set of inter conference playoffs and a State Championship. Teams are registered independently by youth organizations or coaches from various conferences in their regional areas. The regular season games are mostly played in local regions at local fields, however the appeal of the FSYFL is that some games are played against teams from across the State of Florida. Coaches jobs are made easy by the FSYFL providing all services such as fields, referees, game jerseys, trophies, and the season management process.

#### **DIVISIONS**

**PEEWEE 8-10 years 105 lbs**

**VARSITY 13-15 years Unlimited**

League age based on players age as of July 31<sup>st</sup> 2010

"This is my 1st year in FSYFL and the experience could not have been better The league has been nothing but helpful in any problem that arose when I was forming my team. The game play is fast and action packed. FSYFL has been a dream for not only myself but for the kids as well. If you want to play football in the spring this is the league to join"

**Coach John Folk, Flagler PAL**
